**STIPULATED REQUEST FOR ORDER  
EXTENDING DEADLINE  
NO. CV 11-5510 (JCS)**

1 Pursuant to Civil Local Rule 6-2, IT IS HEREBY STIPULATED by and between the  
2 parties hereto through their respective attorneys of record that, if the Court approves, the deadline  
3 for Pattern Energy Group LP (“Pattern”) to respond to the subpoena served on it by Mesa Power  
4 Group, LLC (“Mesa”) in the above-captioned case be extended as set forth below. The  
5 stipulation is based on the following:

6 1. This Court approved Mesa’s “Ex Parte Application for Judicial Assistance in  
7 Obtaining Evidence for Use in a Foreign and International Proceeding Pursuant to 28 U.S.C.  
8 § 1782” on November 30, 2011. As Mesa requested, the Court entered an Order authorizing  
9 Mesa to serve subpoenas on Pattern and four officers/employees of Pattern (collectively,  
10 “Discovery Respondents”). Nov. 30, 2011 Order (Dkt. #6) ¶ 2. The Court further ordered that  
11 the Discovery Respondents “shall each produce the requested documents within twenty-one (21)  
12 days of service.” Order ¶ 3. The Court specified that its Order was “without prejudice to the  
13 rights of the Discovery Respondents to quash the subpoenas issued.” Order ¶ 7.

14 2. Mesa served Pattern with a subpoena on February 17, 2012. Pattern’s response to  
15 the subpoena was thus due March 9, 2012. Mesa served Hunter Armistead, an officer of Pattern,  
16 on February 24, 2012.

17 3. The parties are engaging in a meet-and-confer process in an effort to resolve  
18 various objections to the subpoena. Pattern and Mesa had a meet and confer via telephone on  
19 March 2, and an in-person meet and confer on March 7, 2012.

20 4. Pattern originally intended to file a motion to quash the subpoena on March 2. A  
21 motion to quash a subpoena must be “timely” filed, Fed. R. Civ. P. 45(c)(3)(A), and a March 2  
22 filing would have been seven days before the deadline for response to the subpoena. In the  
23 conference on the morning of March 2, however, the parties agreed that Pattern should delay  
24 filing the motion to quash until March 9, 2012, to allow further time to meet and confer regarding  
25 the subpoena requests.

26 5. In the March 7<sup>th</sup> meet and confer, Pattern agreed to collect additional information  
27 requested by Mesa to determine whether the scope of the subpoena could be narrowed, and Mesa  
28 consented to extend the date for Pattern to respond to the subpoena until Monday, March 12.

1           6.       Although progress has been made, the parties may still need additional time after  
2 Monday to determine if any compromise can be reached with respect to the scope of the  
3 subpoena.

4           7.       If the parties do reach a compromise, they would need additional time to put in  
5 place a stipulated protective order governing confidential material, patterned on the Northern  
6 District of California's Model "Stipulated Protective Order for Litigation Involving Patents,  
7 Highly Sensitive Confidential Information and/or Trade Secrets." In addition, Pattern may need  
8 additional time to collect, review, and produce the documents.

9           8.       The parties thus respectfully request that the Court grant their request to extend the  
10 time for Pattern to move to quash or otherwise respond to the subpoena until March 12, 2012.  
11 The parties further request that, to facilitate the meet-and-confer process and potential amicable  
12 resolution of this conflict, the Court order that the parties can jointly agree to future extensions of  
13 the deadline for any Discovery Respondents without need for court order or stipulation under  
14 Local Rule 6-1. In accordance with N.D. Cal. General Order No. 45, Section X, the filer of this  
15 document hereby attests that the concurrence to the filing of the document has been obtained from  
16 the other signatory hereto.
